INTERACTION DESIGN
GREGOR ALEXANDER

About Me

Graduating from the University of Dundee with a first class honours in Digital Interaction Design, I've refined a diverse set of skills. My final project, JamGPT, demonstrated innovative **AI interfacing** with real-time **user-friendly** experiences. I'm enthusiastic about AI's potential to enhance life quality.

Qualifications

University of Dundee
First-BSc Digital Interaction design 2019-2023

Mackie Academy
Advanced Higher **-** Physics D
Highers **-** Maths A | Geography A | PE A | English B
Graphic Communication B | Engineering B
